

IT REFRESH SOLUTIONS

Simplified

Make Technology a Strategic Asset

Not a Drain on Your Resources

Aging technology saps resources and slows down business. The pressure to cut costs and improve efficiency continues to build - yet you must innovate and remain competitive. An IT refresh program with First American could be the strategic tool you need to stay ahead in today's competitive environment.

HOW IT WORKS:

- >> Select the technology equipment you need
- >> Make low monthly payments for the amount of time you need the equipment
- >> Return or recycle the obsolete equipment
- >> Repeat
